

EQUIP & EMPOWER

“What you’ve learned from me, tell others”

- Paul to Timothy

SESSION 06 - EQUIP & EMPOWER

REVIEW: Triangle, Quiet Time, Relationship Map, Quadrants, DBS

GOAL: Every believer is called to help others follow Jesus better. As people mature, they are sent out to multiply, to see new disciples made, and to see new groups of disciple-makers form.

READ & RETELL: 2 Timothy 2:2-7

DISCUSS:

How many generations are here?

TOOL: 1-3-9 (answers the question, “Who?”)

What type of people is Paul looking for?

TOOL: F.A.T. Faithful, Available, Teachable, [Reproducing]

READ & RETELL: 2 Timothy 3:10-17

DISCUSS:

What does this teach about God?

What does this teach about mankind?

What does this teach about disciple-making and equipping others to do the same?

What does this teach about growing in character vs. competency?

What do people need to grow and be equipped?

TOOL: MAWL (Model, Assist, Watch, Launch)

ACTION STEPS:

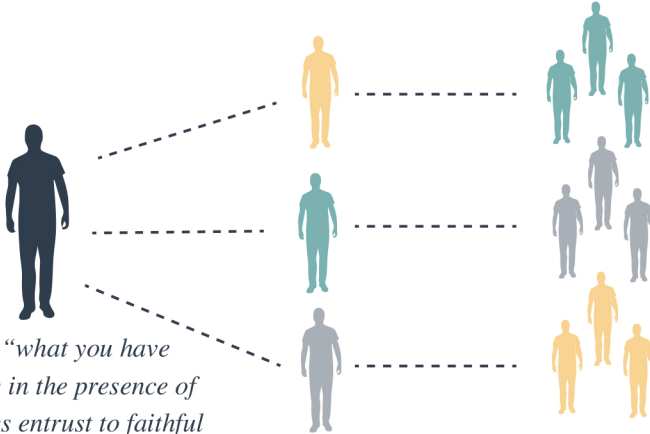

Assess the people you are developing and identify which phase they are in, and how you can intentionally bring them to the next stage in the appropriate time.

Start there and you’ll have a good plan. Make sure your disciples are in the launch phase on each of those core concepts, and if you don’t know what to do next just ask us!

EQUIP & EMPOWER

1 - 3 - 9 / F.A.T.

As we make disciples, we are looking for people who are **faithful, available, and teachable**.

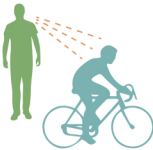

2 Timothy 2:2 "what you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also"

M.A.W.L.

Set the example by actually doing what we want others to do.

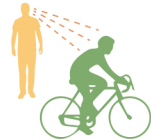

MODEL

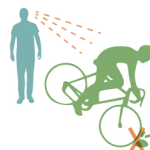

ASSIST

Equip our disciples to do work themselves. We assist them, but they are doing the work.

They continue the work, as we watch from a distance to help with any troubles.

WATCH

LAUNCH

We empower our disciples to go and start their own groups, thus restarting the process.

Every believer is called to help others follow Jesus better. As people mature, they are sent out to multiply and see new disciples made and new groups form.
